## WE ARE A TEAM THAT DELIVERS EFFECTIVE RESULTS

Founded in 1997 in the capital of the state of Parana, ARNS DE OLIVEIRA & ANDREAZZA ASSOCIATE LAWYERS firm came from the determination of its founding partner, Marlus H. Arns de Oliveira. A year later partner Fernanda Andrezza joins him, sharing the same ideals and goals in a partnership that lasts until current days. Over the years other professionals were aggregated to the society, all driven by the same team feeling and delivering effective results to their clients.

The firm is an encouraging center for new ideas, creativity and constant innovation. A place where all challenges and dreams from every client in particular are treated with care and responsibility, where its professionals work on every case with special dedication and focus for generating effective legal results.

In almost two decades of existence, ARNS DE OLIVEIRA & ANDREAZZA ASSOCIATE LAWYERS firm has risen becoming a benchmark on the field of Economic Criminal Law and Third Sector Law.

Acting strongly on Economic Criminal Law, the firm has specialized in defending and following both legal entities and private individuals in criminal investigations and penal lawsuits in both State and Federal courts, as well as offering advisory and preventive assistance to companies through compliance.

In the third sector, the firm is a benchmark for assistance, qualification and search for legal and corporate solutions for non-profit organizations. In addition, it maintains partnerships with institutions that encourage social entrepreneurship.

To meet the growing demand from its clients, the firm has been expanding its area of expertise, providing services in the fields of Labor Law, Tax Law, Administrative Law, Civil Law, Environmental Law, Consumer Law, Medic-hospital Civil Responsibility and Corporate Solutions. Advocacy is

applied to every legal and administrative spheres, in a way that its experience is not limited to the contentious part, covering advisory, preventive and conflict intermediation assistance, with the support of ethical and secure basis.

By its experience on legal practice, ARNS DE OLIVEIRA & ANDREAZZA ASSOCIATE LAWYER firm also acts in the academic field sponsoring or participating in national and international events, ministering speeches and producing quality publications such as articles and books.

In a world in growing transformation, in face of technological and market challenges, the firm invests in infrastructure and especially in its team, motivating their talents and skills in search for unique and innovative results. To achieve that, it promotes a biweekly study group, in which participate lawyers and interns.

ARNS DE OLIVEIRA & ANDREAZZA ASSOCIATE LAWYER firm is a supporter and sponsor of legal events, social investor of Pequeno Principe Hospital, promotes monthly social actions and has a specific department for pro bono advocacy, providing free legal services to deprived people and entities.
